

Press Release - For Immediate Distribution

VSTECS PERICOMP APPOINTED AS DISTRIBUTOR FOR COMMVAULT'S SOLUTIONS IN MALAYSIA

KUALA LUMPUR, 13 JULY 2020 - VSTECS Berhad (VSTECS, 偉仕佳杰; Reuters: VSTE.KL) ("VSTECS" or "the Group"), Malaysia's leading Information & Communications Technology ("ICT") distributor, has through its wholly-owned subsidiary VSTECS Pericomp Sdn Bhd, has signed a distribution agreement with Commvault.

Commvault is the recognized leader in data backup and recovery, offering solutions which protect and manage an organisation's most critical asset — their data. With the execution of this agreement, VSTECS Pericomp will now be a partner to Commvault in providing enterprises in Malaysia with industry-leading data protection solutions to simplify recovery readiness, increase cloud responsiveness and optimise data activation.

Mr. Soong Jan Hsung, Chief Executive Officer of VSTECS said, "VSTECS is focused to provide leading vendors and exciting growth category portfolio to our channel partners. We are proud to add Commvault's innovative data management products to our portfolio which enable us to continue delivering high levels of value to reseller partners as we serve to be a trusted and cost effective collaborator between Commvault and our resellers so as to maximise sales opportunities and growth in Malaysia".

Dino Soepono, Regional Vice President Partner & Alliances, Asia Pacific & Japan at Commvault said "Commvault's business relies on partners and their ability to address the diverse needs of our customers. VSTECS has established a proven track record of sales and technical excellence on ICT products. The new partnership will reinforce Commvault's presence, and further establish our range of world class innovative products, leveraging the VSTECS network locally and in the region to better serve the local reseller community as well as to provide the most cost efficient and advanced data management experience to our end users".
