

## **VSTECS TAKES ON DISTRIBUTORSHIP ROLE TO ACCELERATE ROLLOUT OF WINDOWS ON SNAPDRAGON LAPTOPS**

Kuala Lumpur, Malaysia, 26 June 2023 – **VSTECS Berhad** (**VSTECS**, 偉仕佳杰, Stock Code:5162) ("**VSTECS**" or the "**Group**"), Malaysia's leading Information & Communications Technology ("**ICT**") distributor, has through its wholly-owned subsidiary, **VSTECS ASTAR Sdn Bhd**, signed an agreement with Qualcomm Technologies, Inc., to distribute Qualcomm's cutting-edge laptops and tablets to the Malaysian market, poised to redefine the landscape of mobile computing.

The next generation end-point devices from Qualcomm, powered by Snapdragon® compute platform will revolutionise mobile computing by delivering exceptional performance, extended battery life, cutting-edge camera and audio capabilities, and highly secure, reliable connectivity. These devices cater to a diverse range of users, meeting the demands of busy professionals seeking seamless productivity and individuals who want immersive experiences and reliable connectivity.

**VSTECS** will leverage on its vast network of 4,600 channel partners across Malaysia to provide vast accessibility and drive the successful distribution and marketing of Qualcomm's innovative laptops and tablets. The Group is committed to bridging the digital divide and bringing the latest technology to Malaysians, enabling them to stay connected in today's fast-paced digital world.

**Mr. JH Soong, Chief Executive Officer of VSTECS**, expressed his excitement about the distributorship, stating, "We are thrilled to be appointed as the distributor by Qualcomm. This collaboration further strengthens our commitment to delivering top-notch ICT solutions to our customers. Qualcomm's laptops and tablets are set to transform the future of mobile computing with their exceptional performance and advanced features. We look forward to working closely with Qualcomm to bring these game-changing devices to the Malaysian market and empower our customers with the latest technological innovations."

"We are excited to collaborate with our esteemed distributor partner VSTECS to accelerate the availability of Windows on Snapdragon laptops," said **Alicia Lim, Head of Marketing Southeast Asia, Qualcomm Technologies**. "This strategic alliance reinforces our commitment to deliver transformative computing experiences, empowering users with unparalleled connectivity and performance in ultra-portable form factors. Together, we aim to revolutionize the PC industry and redefine the future of mobile computing."

**About VSTECS Berhad**
